## Effective October 30, 2016

### Thank you for choosing Foothill Transit!

We're pleased to be able to provide you with a high quality, award-winning and environmentally sound public transportation alternative for your commuting needs. Did you know that by choosing public transportation over your car, you are improving the quality of life of all Southern Californians? It's true. Each person on one of our buses is one less car on the road, which means safer streets and cleaner air, especially since 100% of our fleet is now running on compressed natural gas or electricity.

**Everyone at Foothill Transit is committed to providing you with a safe, reliable and enjoyable commute.** With 361 buses running on 39 lines around the San Gabriel and Pomona Valleys, and Los Angeles, Foothill Transit offers you flexibility that fits your travel needs. Just ask the nearly 14 million people who choose Foothill Transit every year.

The fall 2016 Bus Book celebrates our 27<sup>th</sup> year of serving the transit needs of the San Gabriel and Pomona Valleys. If you are new to public transportation and Foothill Transit, welcome aboard! If you need a little personal help, please call us at **1-800-RIDE-INFO (743-3463)**, Monday through Friday from 7 a.m. to 9 p.m., Saturday from 10 a.m. to 8 p.m., and Sunday from 11 a.m. to 6 p.m. One of our friendly Customer Service Representatives will be happy to help you map out your travel itinerary and help get you on board.

Thank you for riding Foothill Transit! We know you have a lot of choices when it comes to getting around the Los Angeles County. We're happy and honored to be a part of your day.

**Line 690** – Line 690 has made changes to improve connections to the Azusa Downtown Gold Line station. Line 690 will now end westbound service at the Azusa Intermodal Transit Center, connecting the Montclair Transit Center, Claremont Transit Center, Lone Hill Park & Ride, and the Grand Park & Ride to the Azusa Downtown Gold Line Station. Line 690 is now a local route, too! Hop on board for the low local fare of \$1.25.

**Line 496** – We have ended the pilot Line 496 at the Azusa Intermodal Transit Center due to low ridership. If you board Line 496 in West Covina, we have added a trip to Line 498.

**Foothill to Gold** – We're continuing to improve our connections to the Gold Line Stations all across the foothills. We have added a Line 185 bus stop on Irwindale Ave., just before the 210 Freeway, to now serve the Irwindale Gold Line Station.

**Schedule Updates** – We have made schedule adjustments to improve schedules on the following lines: 178, 185, 187, 269, 274, 280, 289, 486, 488, 493, 495, 498, 690, 699, and 855. Be sure to check the schedules for updated times.
