

Everything in the Bus Book and more can be found on our website!

Everything you find here is now available in a fully customizable E-Bus Book at foothilltransit.org/EBusBook. Pick the information, maps and schedules that you want, and the E Bus Book will compile your own personal copy into a downloadable and printable Bus Book.

Also, you can find everything inside this Bus Book and a whole lot more at foothilltransit.org. Sign up for customized alerts and detour information delivered right to your e-mail inbox or cell phone. Use our trip planner, regional maps and Google Transit to help you navigate to your favorite local spots. The foothilltransit.org website is the ultimate commuting tool for San Gabriel and Pomona valley businesses, residents and visitors. There's even a Trip Cost Calculator that helps you see how much money you save by switching to Foothill Transit for your transportation needs.

Is social media more your speed? We're there, too!

Find us:

facebook.com/foothilltransit

The Facebook page promotes discussion amongst fellow riders in addition to displaying exclusive offers, photos and videos.

twitter.com/foothilltransit

The interactive Twitter feed, monitored by Foothill Transit, provides two-way communications on service and other updates. Not monitored 24/7. Follow us @foothilltransit.

vine.co/FoothillTransit

If you're looking for behind-the-scenes creativity, on Vine you can see our 6-second looping videos and stop-motion animation.

instagram.com/foothilltransit

Instagram is a photo sharing app that has become known for its fun filters. We use it to post behind-the-scenes shots that go far beyond our brilliant white buses.

linkedin.com/company/foothill-transit

LinkedIn is the professional's tool for networking and recruiting, and we're always looking for talented, passionate people to join our diverse team of friendly transportation professionals.

pinterest.com/foothilltransit

Pinterest is a fun way for us to point out some of the interesting things going on in the transit world. Whether you're looking for ways to make your ride more pleasant or want more pins that help you connect with transit riders like yourself (and maybe get a few more people on board with you), our Pinterest page makes taking the bus a breeze.
