

Fare Information

The TAP card is a transit smart card that holds all your Foothill Transit passes, EZ transit pass and cash on a reusable card. Think of it as your personal transit wallet! You can purchase passes by calling **1-866-TAP-TO-GO**, visiting taptogo.net, or by visiting a TAP vendor location (visit.foothilltransit.org/tap for locations). To board using your TAP card, simply tap the card on the fare box. There's a blue circle on the fare boxes – aim for that. Your correct fare is automatically deducted from the card, whether it's cash or a pass that you have loaded. Just TAP and go!

Cash or Cash Purse TAP cards may be loaded with cash value in the form of cash purse. Cash purse is stored cash value on your TAP card and it works like a gift card. The fare box will automatically deduct the correct fare each time you tap the card on the fare box. Cash purse value is offered in five dollar increments up to a maximum amount of \$200 cash purse value per TAP card.

Our fare boxes still accept good old-fashioned cash. **Exact change only. Pennies are not accepted.** Insert the correct fare for your ride in the proper coin and bill slots.

31-Day Pass A TAP card loaded with a Foothill Transit 31-Day Pass allows you unlimited travel for a 31-day period beginning on the day the card is first used on the bus. Discount passes are also available.

TAP Card Balance Protection Register your TAP card and protect it with Balance Protection. If your **regular TAP card** is lost or stolen, you will have to purchase a new TAP card. Once purchased, you may contact TAP to transfer the balance to your new TAP card. If your **discounted TAP card** is lost or stolen, you will have to pay a replacement fee of \$5. You'll receive a new TAP card with the remaining balance and passes intact in the mail. Apply for Balance Protection at taptogo.net or by calling 1-866-TAPTOGO (827-8646).

Discount TAP Cards Seniors, disabled, and student customers will need to apply for a reduced-fare TAP card to purchase a discounted pass. If this is your first time getting a TAP card, a temporary card will be issued to you until your permanent card is mailed. **DO NOT** throw your temporary card away when you receive your permanent card in the mail – your pass is still loaded on your temporary card. Wait until the pass expires, and you can begin using your new permanent TAP card to purchase and load your next passes.
