## Everything in the Bus Book and more can be found on our website!

Everything in this book is available as a fully customizable E Bus Book at [foothilltransit.org/EBusBook](http://foothilltransit.org/EBusBook). Pick the information, maps, and schedules that you want to create your own personal Bus Book that you can download and print.

There's even more for you at [foothilltransit.org](http://foothilltransit.org). Sign up for customized alerts and detour information delivered right to your email inbox or cell phone. Use our trip planner and interactive maps to help you navigate to your favorite local spots, and use NEXTRIP to see exactly when your next bus will arrive. There's even a Trip Cost Calculator that shows you how much money you save each time you choose Foothill Transit to get where you're going. Need some ideas on where to go or want to learn more about getting around on transit? There's always something new and interesting on our Footnotes blog at [foothilltransit.org/footnotes](http://foothilltransit.org/footnotes).

## Is social media more your speed? We're there, too!
